

# WASHINGTON CHRISTIAN ACADEMY

WCA Wildcat Athletic Booster Club  
2010-2011 Membership Form  
*Thank you for your support of WCA athletics!*

The WCA athletic department extends an invitation to your whole family to join and participate in the WCA Booster club. The booster club exists to generate income and provide volunteers in order to support the athletic program at WCA. Booster club membership is available to parents and all members of the WCA community. The biggest source of income is concessions at home games, especially during the winter season. Within the last few years the booster club was able to purchase the scorer's table and chairs for basketball games. The annual membership fee is \$30 for the whole family.

Please make checks out to *WCA with Booster Club* in the memo line and return the completed form with payment to Tim Bratt's mailbox in the WCA school office. For questions, please contact: Tim Bratt at [tbratt@washingtonchristian.org](mailto:tbratt@washingtonchristian.org)
