You Make It Work!
2009 – 2010 Volunteer Opportunities

The single most important factor in a child's academic success is the level of the parent's involvement in the school. Parents really do "make it work." WCA has always been a welcoming, caring community where whole families thrive, and we desire to keep that tradition alive. Please use contact e-mails listed below if you have any questions or desire more information. All families are expected to participate in the life of our school. Please complete and return this form to WCA by August 26th!
