Washington Christian Academy is a school dedicated to the glory of God. It is in existence to help you grow spiritually, emotionally, physically, and academically. It is expected that you will at all times live in accord with what our school believes and that in all things you will represent WCA well.

We believe that there should be a direct relationship between what a Christian student believes and how he or she behaves. In order to keep from giving offense to those in the school community, and in order to be salt and light to the community at large, we expect all students to abstain from the use of tobacco, alcoholic beverages, illegal drugs, profane language, and immodest behavior.

Will you faithfully abide by the policies that govern the lifestyle of our students as briefly summarized above?

Yes No
